

Finding an Ancestor Though Descendancy Research

go to familysearch.org

1- Click under the name of an ancestor born **late 1700's**

2- In the summary box click on **tree**.

3- Click on **Descendancy** "eye glass" icon.

4- Click on **4** generations

5- **Uncheck portraits** in the drop down menu

6- Look for **green** boxes (may need ordinances) and **yellow** boxes (incomplete information). Click on any box to see more information. **Blue** are hints, **purple** boxes are research suggestions, **red** boxes are data problems.

7- Look for people with **no spouses**. (You can do temple work for the spouses of our ancestors and their children and the children's families. We cannot do temple work for a spouse's parents or siblings but we can seal that spouse to their parents even if the parents don't have any other ordinances done)

Sign In With FamilySearch

1-Open another tab and google findarecord.com
